

Steps for linkage of a verified Health Facility

- Click on Login

The screenshot shows the homepage of the Health Facility Registry. At the top left, there are logos for the Ministry of Health and Family Welfare, Government of India, and the National Health Authority. The main heading is "Health FACILITY" in large white letters, with "REGISTRY" and "For Facility Manager and Administrator" below it. There are "Search" and "Login" buttons. The top right navigation bar includes "Home", "About", "FAQ", "Contact Us", a search icon, and a menu icon. A "Health Facility Registry" logo is also present in the top right. The background features a circular grid of medical icons and a server rack graphic.

About Health Facility Registry

Steps for linkage of a verified Health Facility

- Enter your Facility Manager ID and authenticate

The screenshot shows a white dialog box with a red 'X' in the top right corner. At the top center is a circular icon of a hospital building. Below the icon, the text reads "CONTINUE TO YOUR ACCOUNT". Underneath, a smaller line of text says "If you have an Aadhaar authenticated Health ID, you can use it as Facility Manager ID". There is a text input field with a person icon on the left and the placeholder text "Enter Facility Manager ID". To the right of the input field is an orange button with the text "@ndhm". Below the input field are two orange buttons: "Verify Facility Manager ID" and "Reset".
